

I'm not robot!

or marker. Step 3: Tape the tab to the edge of a piece of 3-hole-punched paper or cardstock. Never fear, you won't begin receiving daily sales emails that belong in a spam folder. Instead, we promise a fun weekly roundup of our latest blog posts and great finds from across the web. And if you lose interest, it's always easy to unsubscribe with a single click. What other details do you focus on to keep your business at its best? We want to know! Leave a comment or connect with us on social media, on Twitter, Facebook, or Instagram. David Gibb is a freelance writer, educator, and marketing professional based in New Hampshire. He has been writing for publication online since 2013, covering a diverse range of topics including sports, entertainment, educational technology, and beyond. He is the proud parent of two rescue dogs, Bandit and Bailey. 2 comments Sandra January 26, 2022 at 08:35am Thanks for the freebies. TBH, I felt so dumb "learning" how to make the "Quick & Dirty" DIY tabs, Imbo, I was like, "Duh!, How come I couldn't come up with that?" lol. Thank you for bringing it to mind lol. Sandra Alejos January 24, 2020 at 14:00pm
