EXAMINATIONS®

Analytical Writing 2

ANALYZE AN ARGUMENT
30 minutes

You will have 30 minutes to plan and write a critique of an argument presented in the form of a short passage. A critique of any other argument will receive a score of zero.

Analyze the line of reasoning in the argument. Be sure to consider what, if any, questionable assumptions underlie the thinking and, if evidence is cited, how well it supports the conclusion.

You can also discuss what sort of evidence would strengthen or refute the argument, what changes in the argument would make it more logically sound, and what additional information might help you better evaluate its conclusion. *Note that you are NOT being asked to present your views on the subject.*

GRE readers who are college and university faculty will read your critique and evaluate its overall quality, based on how well you

- identify and analyze important features of the argument
- organize, develop, and express your critique of the argument
- support your critique with relevant reasons and examples
- control the elements of standard written English

Before you begin writing, you may want to take a few minutes to evaluate the argument and to plan a response. Because the space for writing your response is limited, **use the next page to plan your response**. Be sure to develop your ideas fully and organize them coherently, but leave time to read what you have written and make any revisions that you think are necessary.

Essay Outline Sample [Template]

I. Introduction

- A. Get the reader's attention by asking a leading question; relay something enticing about the subject in a manner that commands attention. Start with a related quote, alluring description, or narration.
- B. State the thesis, the causes and effects to be discussed; comparison of subject X and subject Y; your position on the issue; your proposal if applicable; and the main points that will develop your argument.

II. Body

- A. First Point, Assertion, Explanation
 - 1. Supporting evidence (examples, facts, statistics, quoted authorities, details, reasons, examples)
 - 2. Supporting evidence
- B. Second explanation
 - 1. Support
 - 2. Support
- C. Third explanation
 - 1. Support
 - 2. Support
- D. Fourth explanation (continue as above with additional explanations as needed.)
 - 1. Support
 - 2. Support
- E. Your proposal (if applicable)
- F. Address opposing viewpoints

III. Closing

- Show how explanations (causes) are logical reasons producing the effects discussed; review subject X and subject Y; reiterate your assertion and proposition (if applicable). Reemphasize your thesis in a fresh way, showing how you have achieved your purpose. If you intend to draw a conclusion about one subject over the other, emphasize that point.

 - A. Deal with opposing views unless done above in Section F.
 - B. Appeal to the reader to see how you have come to a logical conclusion.
 - C. Make a memorable final statement.

29. हमारी सामाजिक समस्यायें

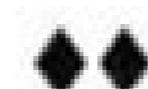

भारतवर्ष एक विशाल देश है। अपनी विशालता के कारण इसमें भिन्नता अर्थात् जाति, धर्म, भाषा, आचार-विचार आदि में एक भाग दूसरे भाग से अलग मालूम होता है। हम विभिन्नता में एकता लिए हुए हैं। इस दृष्टि से हमारा देश एक प्रकार से अनोखा देश है। यहां पन्द्रह भाषाएं हैं। असंख्य उपभाषाएं तथा बोलियाँ हैं। अजीब या अनोखे प्रकार के धर्म हैं। सभी को अपना धर्म मानने की स्वतंत्रता है। यहां की भूमि कहीं पहाड़ी, पथरीली, कहीं पठार कहीं मैदान तथा कहीं ऊँची-नीची है। इन सब बातों का प्रभाव यहां के निवासियों पर पड़ता है। हम देश के रूप में एक होते हुए भी समाजिक रूप से एक नहीं हैं। हमारा समाज तमाम रूपों में बंटा है। हर समाज ने अपने विचार तय किए हैं। उस समाज के लोग उन नियमों पर चल रहे हैं।

पुरानी लकीर के फकीर बना रहना हमारी आदत हो गई है। हम परिवर्तन में विश्वास नहीं करते हैं। अंधविश्वास और रुढ़िवादी, शांत-अपशांत, भाग्यवाद हमारे धर्मों में शामिल हैं। धर्म के बैईमान ठेकेदारों को हमारे समाज के लोग ईश्वर का नया अवतार मान लेते हैं। जोगिया वस्त्र पहने व्यक्ति को हमारे यहां संत मान लिया जाता है। हर जाति तथा धर्म के लोगों ने न जाने कितने ठगों को ईश्वर बना दिया है। साधारण जनता राजा-महाराजा, नेताओं तथा पढ़े-लिखे लोगों का अनुकरण करती है। जबकि समाज के ये तथाकथित लोग झूठे, बैईमान, भ्रष्ट और ठग के सिवा कुछ नहीं हैं। ऐसे समाज में हम हजारों वर्षों से जी रहे हैं। सामाजिक सुधारकों ने अपने-अपने समय में समाज-सुधार के कार्यक्रम चलाए लेकिन हम कोल्हू के बैल की तरह अपने पुराने घिस-पिटे रास्ते पर ही चक्कर काटते रहे।

ऐसे समाज में समस्यायें ही समस्यायें होती हैं। हमारे देश में रोज दंगे-फसाद, मारधाड़, बलात्कार, दुराचार, अत्याचार आदि साधारण बातें हो गई हैं। अशिक्षा, अज्ञानता, निर्धनता से समाज का तीन-चौथाई भाग पशुवत् जीवन जी रहा है। कुआँदू, ऊँच-नीच, जातिवाद, भाई-भतीजावाद, संकीर्णता ने हमारे समाज को नरक बना दिया है। लोग आपस में कहते हैं- इस भारतवर्ष से तो शायद नरक अच्छा होगा। नारियों के प्रति अत्याचार की खबरें रोज अखबार में छप रही हैं। दहेज प्रथा श्रेष्ठता का प्रतीक हो गई है। पापी, पाखंडी और चोर हमारे समाज में धर्मगुरु की तरह पूज्यनीय हो गये हैं। भ्रष्टाचार आज सबसे बड़ी समस्या हो गई है। हमारे नेताओं की भ्रष्टाचार की कहानियां नए-नए रूपों में सामने आ रही हैं। कुसीं पर बैठे कल्कि या बाबू तथा ऑफीसर यमराज के दूतों का व्यवहार सीख रहे हैं। कुछ लोग गीता में इस महान वाक्य को दोहरा रहे हैं- 'जो हुआ अच्छा हुआ, जो हो रहा है, अच्छा हो रहा है, और जो होगा वह भी अच्छा ही होगा।' यदि जो हम देख या सुन रहे हैं। 'सब अच्छा है' तो बुरा क्या है।

हमारा समाज घोर अव्यवस्थित हो गया है। हमारे देश में इतने धर्म हैं कि उनका नाम याद करने में पसीना छूटने लगता है। इतनी जातियां, उपजातियां हैं कि जिनकी गिनती करने में हजारों सामाजिक और राजनीतिक या सरकारी कार्यकर्ता मर-खुप गए हैं लेकिन पूरी गिनती नहीं कर पाए। चोरबाजारी, काला धन कमाने वाले लोग समाज के पूज्य व्यक्ति हैं। महंगाई, मुद्रास्फीति ने हमारे समाज को कुचल दिया है।

कुल मिलाकर हमारा सामाजिक ढांचा बिकृत हो चुका है। इसमें सुधार करना सरल नहीं है। यदि कोई जनसेवक सुधार के लिए आगे आता है। तो गुंडे, चोर और उचकके राजनीतिज्ञ तथा उनके छुट्टेये सब कुछ चौपट करने पर तुल जाते हैं। क्योंकि उनको मूर्ख अनुयायियों या बोटरों की ज़रूरत होती है यदि समाज में सुधार हो गया तो नेता और साधारण नागरिक में कोई अंतर नहीं रह जाता है। यहां नेता का अर्थ धर्म की आड़ में तीर चलाने वाले छिपे लोगों से भी है।

The Graduate Record Examinations® Practice General Test #3

Analytical Writing Sample Essays with Reader Commentaries

The Analytical Writing portion of the GRE® General Test consists of two writing topics, an Issue topic and an Argument topic. This document contains the writing topics for Practice Test #3, the scoring guides for each section, and sample responses with commentaries for each topic.

Note: Sample responses are reproduced exactly as written, including misspellings, wrong choice of words, typographical and grammatical errors, etc., if any.

Analyze an Issue

Sample Issue Topic Directions

You will be given a brief quotation that states or implies an issue of general interest and specific instructions on how to respond to that issue. Plan and compose a response in which you develop a position on the issue according to the specific instructions. A response to any other issue will receive a score of zero. Standard timing for an issue topic is 30 minutes.

Gre argument essay examples to use. Gre issue and argument essay examples. Argument essay gre examples pdf. Gre argument essay topics. How to write a good gre argument essay. How to write argument essay in gre.

This is not likely to be affection for a clean-up. A clean, beautiful and safe river often adds to the values of city property, leads to greater tourism and income for those who come to take advantage of the river, and a better quality of life in general for residents. Near the end, the response correctly observes that the city government should not assume that residents want to use the river for recreation³. Complaints about water quality and odor can come from only a few people and, even if such complaints are numerous, other completely different factors can be much more significant in reducing water use. Over the years there have been complaints from residents about the quality of the river's water and the smell of the river. The thought is that a cleaner rāo will translate into use. While it's not to expect a bit of a raise, at what level do people start using the rāo? In addition, the budget is being used to clean up the Mason River, it will also be allocated in the increase of Riverside recreational facilities. One closely linked to the polls is the assumption that a cleaner rāo will translate into use. For example, if the water quality and aroma is caused by pollution⁴ by factories along the river, this could be remedied. These questions will help the city government forecast how much to consume the use of the rāo increase and allocate a proportional increase to the budget. The author naively assumes that the money can simply appear without⁵ to sell. The current⁶ of the budget should be assessed in order to determine whether this increase can be granted. Therefore, the weakness of the third assumption⁷ undermines the argument that the recreation of the river will be needed⁸ and improvements of the river bank will be made. The real problem is not the use of residents of the river, but their desire for a more pleasant smell and a more pleasant view. The government is trying to try to appease its inhabitants, and it can be guaranteed that the role of government is to please the people. The statement assumes that everyone in Mason City enjoys some kind of recreation, which may not necessarily be true. The samples may not have been representative of the residents of the city, asking only residents who live on the banks of the river. If recreational facilities already exist along the Mason River, why should the city allocate more money to fund them? While the proposal highlights possibility, more information is needed to justify the action. The main assumptions discussed are: that a survey can accurately predict the needs of the cleanup of the river, by itself⁹ will increase recreational use; the state plans to clean up the river will actually take place that Mason City can afford to spend more money on recreational facilities. For example, Mason City may have asked residents if they prefer to use the river for water sports or if they would like to see a hydroelectric dam built. The Mason River that flows through the city is rarely used for these activities, and the city's parks department spends little of its budget on maintaining recreational facilities along the river. What is the schedule for the clean-up effort? Rater's Comment on Essay A-1 (Score 1) The brevity of this two-sentence answer makes it deficient. However, each profession¹⁰ does not amount to a new member. There is a minor error in the sentence but the word option is suitable and the sentence appropriately in part¹¹ length. Therefore, the proposal to increase for Riverside recreational facilities cannot be justified. Paragraph 3 examines the tenuous connection¹² complaints and the limited use of the rāo for recreation¹³. Test response: Score 6 While it may be true that the Mason City government should devote more money to Riverside recreational facilities, this author's argument does not make a case for convincing increases in resources based on a¹⁴ the use of the rāo. Then, the answer shifts to irrelevant matters, a defense of the City Park Department, a prediction¹⁵ budget problems and the problem of pleasing city residents. In his vague references to causal fallacies, the writer attempts a¹⁶ analysis, but never refers to any unfounded¹⁷. But, the survey responses can hardly be used as indicators of actual behavior. However, the scope and validity of that survey is unclear. Regardless of whether the quality of the river can be improved or not, the author does not show an effective connection¹⁸ water quality and the use of the river. However, despite residents ranking water sports, the city government will be able to devote the budget to another issue. To strengthen his argument, the author will benefit from implementing a standardized survey by making a wide range of residents why they do not currently use the rāo. According to the argument, the reason¹⁹ people are not using the rāo Mason for water sports is due to the smell and quality of water, not because recreational facilities are unacceptable. The government must realize the long-term effects that its decision²⁰ not have on the monetary value of its budget. Therefore, the use of the river for water sports is sure to increase. The essay shows that the proposal to spend more on recreational facilities Riverside relies on three questionable assumptions, namely: that the survey provides a reliable basis for budget planning²¹ that the pollution²² and smell of the river are the only reasons for its limited ed otmetraper led etnemalos res edupon aplic. oār le rāipmīl senalp odusle te setmeder sol ed sajeug sal a atseupser
